

## **FDL TEEN SPACE POLICY**

Fondulac District Library (Library) is committed to providing an inviting and safe space for teenage patrons to engage in individual and group activities. The social nature and unique characteristics of this age group require a separate space designed for their needs. Teen Space has been established to provide an appropriate space for this particular age group.

Seating, tables, gaming systems, and other equipment located in the Teen Space are reserved for the use of teenagers age 14 through 19.

Library patrons whose age falls outside this range may use the Teen Space seating, tables, and gaming systems only if they are accompanied by a patron age 14 through 19 who also is actively using the Teen Space. All others should limit their visit to Teen Services to the browsing of the collection and the selection of materials and should then use the children's or adult areas of the library, as appropriate. Patrons of all ages are welcome to browse and check out materials from the collections located in the Teen Space.

The Library reserves the right to limit access to and utilize the Teen Space for scheduled programs, events, and activities.

Adopted by the Board of Trustees
