

# DIG DEEPER

## 2020 Summer Reading

June 1 - July 31

## Read » Discover » Investigate

Summer Reading will be a little different this year, but “Dig Deeper: Read, Investigate, Discover,” will take place June 1 to July 31. While the library building is still closed due to COVID-19, kids, teens, and adults can still participate at home and online and earn points for reading to redeem for prizes! Virtual programming will include online story times and engaging activities for exploring creativity, gardening, science, family history, and more!

- ◆ Follow FDL at [fondulaclibrary.org](http://fondulaclibrary.org) and Facebook, Instagram, and YouTube for virtual programs, activities, and updates.
- ◆ Access our digital collection of eBooks, audiobooks, movies, and more from our website or the Overdrive, Libby, Axis 360, and hoopla apps.
- ◆ Track your reading progress online at [fondulaclibrary.beanstack.org](http://fondulaclibrary.beanstack.org) or on-the-go with the Beanstack app.
- ◆ If you're unable to use Beanstack, record your minutes with the form on the back and call the library at 309-205-5855 or 309-699-3917 or use live chat, M-F, 10 a.m.-12 p.m. and 4-6 p.m., to report your progress.

**Summer reading is especially important for students to prevent the "summer slide" so they aren't behind when school resumes!**

### Start Reading!

- ◆ Download or stream eBooks and audiobooks from [fondulaclibrary.org](http://fondulaclibrary.org) or borrow books, audiobooks, and magazines from Fondulac District Library when we reopen.
- ◆ Read items of your own or from other collections. All reading must occur within the program dates to count for the program.

### Earn badges

- ◆ Record your minutes in Beanstack or use this log to record and report progress to library staff via phone or live chat. The last day to record or report minutes is July 31.
- ◆ Earn 1 badge for every 50 minutes (PreK-2nd graders), 100 minutes (3rd-8th graders), or 150 minutes (high schoolers and adults).
- ◆ Earn 10 badges to complete the program.

### Win prizes

- ◆ Participants earn prizes for getting to the halfway point by earning 5 badges AND for completing the program by earning all 10 reading badges. Participants who complete the program will also be entered into a prize drawing!
- ◆ Instructions for picking up prizes will be announced mid-June. Prizes are available while supplies last. The last day to pick up prizes is August 14.
